

Scrip is an exciting program offered by our church. You purchase gift cards through us at face value and the church received a discount on the cards. The money from the discount is kept in a savings account that the church can then use to support our youth programs. We have sent some of our church youth to camp without them having to pay a penny. Some of the money is used for youth outings like pizza and bowling, Milwaukee Museum, our very own butterfly garden, and much more.

Here is an example: if you would purchase a \$50 Festival Foods card, the church would pay \$45 leaving \$5 in the savings account. YOU get the full \$50 gift card to use. There are over 300 vendors to choose from!

If you have any questions please contact Krist Schiewe or Marilyn Raymond-Hindrichs
